GUIDE RITA  
WHEELER

CHARACTER

# RITA WHEELER

As a proud member of the Mox and a bouncer for Lizzie's Bar, the gang's headquarters, Rita gets to size you up and either welcome you in or kick you to the curb. She's been doing this long enough to spot a gonk at a glance, but if you're cool, Rita's a friendly face that'll greet you with a wink and a smile whenever you drop by.

# BASEBALL BAT

If someone makes a gonk move and causes trouble at Lizzie's Bar, Rita introduces them to her trusty sidekick – her carbon baseball bat. Instead of enjoying a BD inside, they'll be seeing stars on the sidewalk. For the most part, this home-run-hitter is just a part of Rita's tough image, providing new clients a strong first impression of both her and the Mox in general.
