COSPLAY GUIDE ROGUE AMENDIARES

CHARACTER

ROGUE AMENDIARES

Punk attitude and attire defined Rogue in the 2010s. In a different world, her rebellious streak would've made her a perfect rockergirl, but her love of independence led Rogue to blaze a path as a Solo. She and Johnny had a tumultuous on-off affair, and despite the bitter breakups she still played a key role in his assault on Arasaka Tower.

WEAPONS

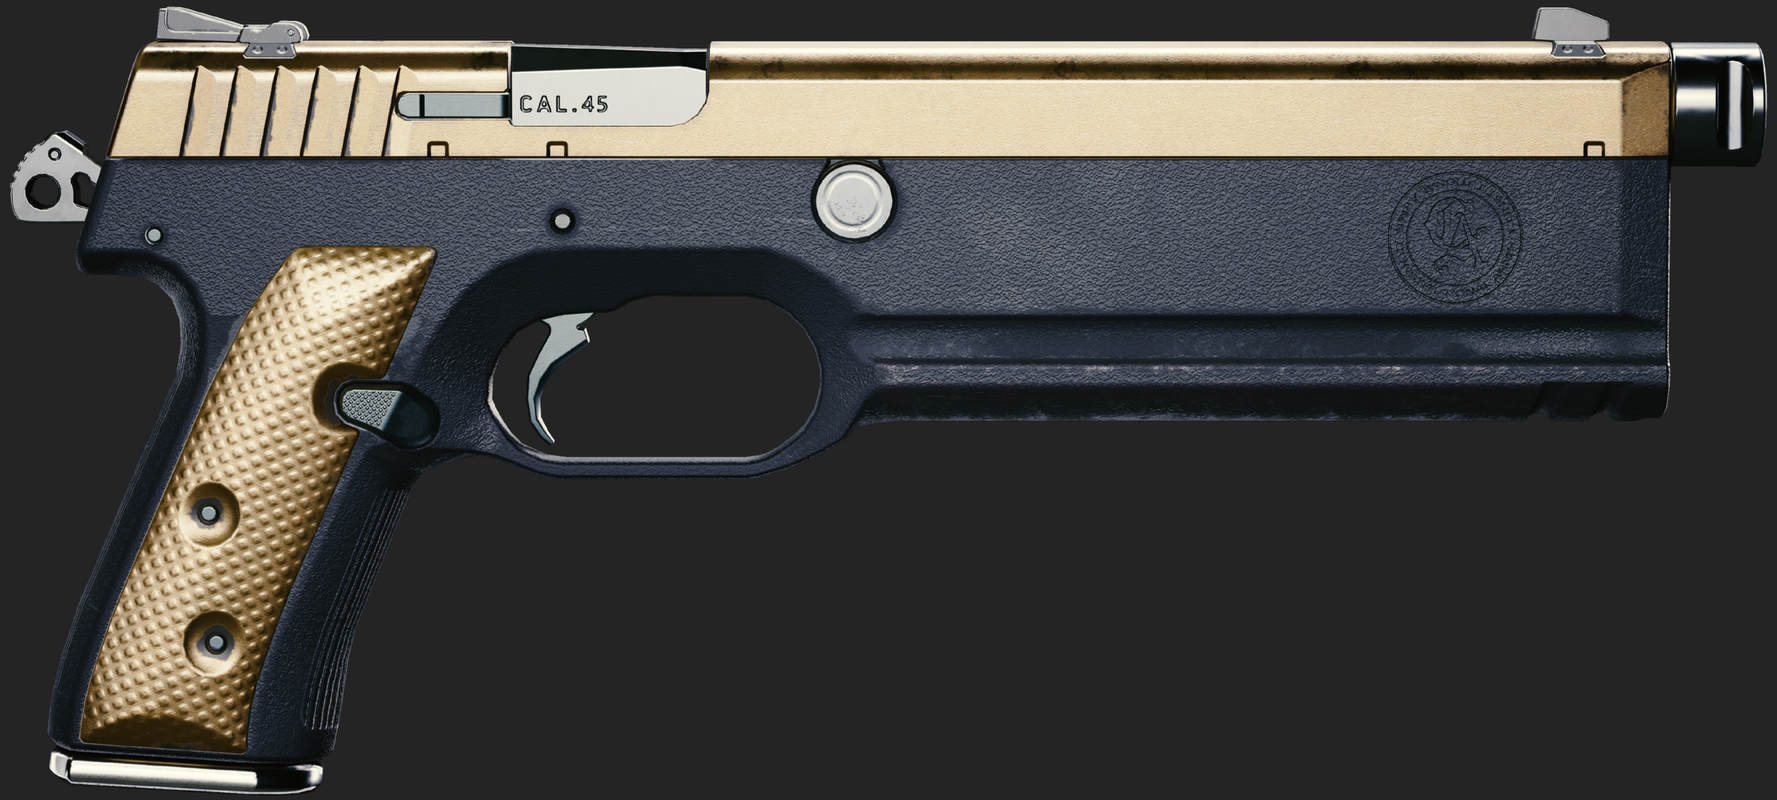

PRIDE

A powerful punch in a small package, Pride was Rogue's weapon of choice in her youth. The pistol boasts a sleek style and pure lethality in the right hands – especially those of a daring Solo. With Pride, Rogue was able to blaze her path to the top of Night City's mercs, but nowadays she uses words more often than bullets.
